

Howie Complex

SYDNEY Showground

Sydney Olympic Park

Howie Complex

The Howie Complex is a spacious, light-filled venue made of brightly coloured steel with floor-to-ceiling glass. It is suitable for exhibitions, trade shows, product launches, corporate functions, Christmas parties and celebrations. The complex is ideal for small and medium-sized events but also has the capacity to accommodate large machinery and heavy vehicles.

The venue has two levels, each with direct access to the ground by ramp. The mezzanine level has views of the display area below and can be used as an additional meeting room or catering area. Outside are landscaped lawns where you can host functions and place concessionaires, large machinery or tiered seating for 1,700 people.

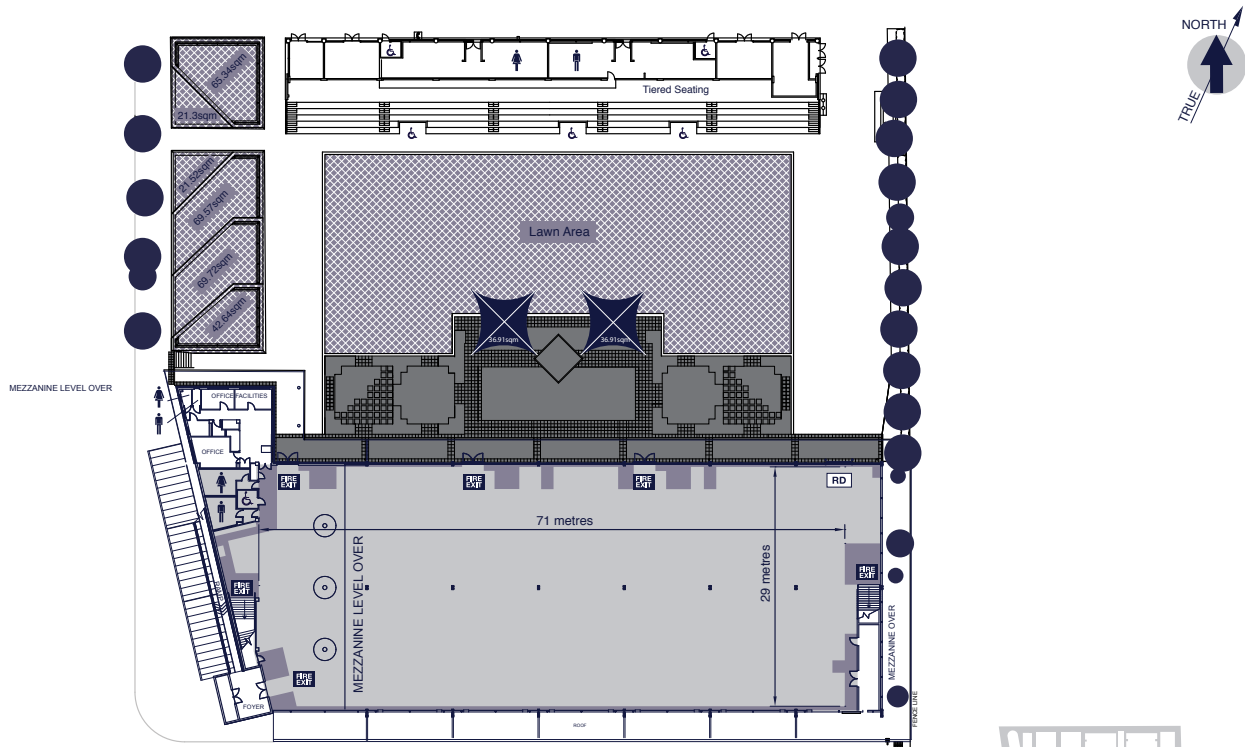

Features

- Ground level and mezzanine
- Organiser's office, foyer and changing room
